Global Graffiti Publishing is the U.S. publisher of "Crested Hens" (aka Les Poules Huppées). While we and Gilles Chabenat (the writer) appreciate your enthusiasm for the song, we would also like you to understand that posting just about anything other than its title or your commentary requires a license issued by the publisher. Contrary to popular belief, the song is NOT public domain. You do not need a license to play Crested Hens in a live performance (or any song, for that matter).
